To

The Members of M/s. OTH ONLINE PRIVATE LIMITED

Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of M/s. OTH ONLINE PRIVATE LIMITED ("the Company"), which comprise the balance sheet as of at 31st March 2024, and the statement of Profit and Loss for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, and its financial performance for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. There matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

## Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we concluded that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's board of directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act, together with Paragraph 7 of the Companies (Accounting Standards) Rules,2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We are also:

 Identifying and assess the risks of material misstatements of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those

risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtaining an understanding of internal financial control relevant to the audit in order design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### NOTE 1

## 1. SIGNIFICANT ACCOUNTING POLICIES

#### A. COMPANY INFORMATION

The company was incorporated on 10/04/2017.

#### **B. BASIS OF PREPARATION**

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the Companies (Accounts) Rules, 2014 and the relevant provision of Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention.

#### C. Use of Estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

#### D. Revenue Recognition:

Sale of products is recognized, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers.

Sale of services is recognized when services are rendered.

#### E. Property, Plant & Equipment's:

#### **Tangible Fixed Assets:**

- a) Fixed Assets are shown at cost. Cost comprises of purchase price and other attributable expenses.
- b) The carrying amount of cash generating assets is reviewed at Balance Sheet date to determine whether there is any indication of impairment. If any such indication exits, the recoverable amount is estimated as the higher of net selling price and value in use. Impairment loss is recognized wherever carrying amount exceeds recoverable amount.

c) All costs including borrowing costs in accordance with the provision of Accounting Standard 16 - Borrowing Costs (issued by ICAI) incurred for the acquisition / installation or impairment of fixed assets, till commencement of commercial production, are capitalized

## F. Depreciation:

Depreciation on Fixed Assets is provided based on the useful life of the assets in the manner prescribed in Schedule II to the Companies Act, 2013, except where the useful life has been revised as per appropriate report obtained for certain assets for the purpose of determining the useful life.

Depreciation on fixed assets added /disposed off during the year is provided on prorata basis.

### G. Foreign Currency Transactions:

Transactions of foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

Monetary items denominated in foreign currencies at the period end are restated at period end rates. In case of items which are covered by forward exchange contracts, the difference between the period end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract.

#### **H. Derivative Instruments:**

Exchange differences arising on repayment/revaluation of derivative contracts, entered into in respect of some of the Company's underlying borrowings, are recognized as income or expenses, as the case may be in the period in which they arise.

#### I. Impairment of Assets:

Impairment is ascertained at each Balance Sheet date in respect of the Company's fixed assets. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, based on an appropriate discount factor.

#### J. Inventories:

Inventories are carried at cost (computed on a weighted average basis) or Net Realizable Value, whichever is lower.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed out in the period they occur.

## N. Leases:

Leases where the lesser effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a Straight Line basis over the lease term.

#### O. Taxation:

#### Income Tax

Income tax provision is made annually based on the tax liability computed in accordance with provisions of the Income tax Act, 1961.

#### Deferred Tax

The differences between the taxable income and the net profit or loss before tax for the period as per the financial statements are identified and the tax effect of timing differences is recognized as a deferred tax asset or deferred tax liability. The tax effect is calculated on accumulated timing differences at the end of the accounting period, based on effective tax rates substantively enacted by the Balance Sheet date. Deferred tax assets are recognized in cases of unabsorbed depreciation and carry forward losses only if there is virtual certainty supported by convincing evidence that the same can be realized against future taxable profits.

#### P. Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and

attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of an equity share to the extent they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The Weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.
